PURPLE BAR

Draped in violet silk opera curtains, and furnished with lavender Queen Anne chairs and purple etched Venetian mirrors, Purple Bar doesn't do things by halves. Despite its lavish, playful aesthetic, one of London's hottest spots keeps a relatively low profile, with its unexpected entryway just off Sanderson's reception ensuring the venue remains exceptionally intimate. Straight from the pages of "Alice in Wonderland", Purple Bar's chic cocktail lounge is the perfect place for quality conversation, a relaxed drink and some good old-fashioned people watching.
