YOUR WINE LIST

Philippe and I have tried to assemble here a selection of wines that we feel will offer something for everybody. While by no means being a completely comprehensive list we have attempted to choose wines for their value and consistency.

We hope that you will find a wine to suit you and to assist in this regard we have made a "House Selection" of a number of wines which, we feel, represent excellent wine making and very good value. There are plenty of other good value quality wines in the pages of this list.

We would like to thank Miss Alessandra Atzeri and Mr. Sylvain Fetzmann for helping us with the list.
